

English Proofreading Services

We offer quality, reliable and affordable English language proofreading assistance for academics, and research students.

We accept a variety of academic documents including journal articles, abstracts, conference papers, postgraduate and undergraduate theses, research proposals, books, essays and more.

What we do :

**We correct spelling
We fix grammar
We check punctuation**

**In short ...
we get documents error-free**

Why use us?

By ensuring that all documents are free of grammatical errors and spelling mistakes, we have helped academics get their conference papers accepted and their works published, and we have enabled students to obtain better grades in their research papers and theses.
